Celestine is a 59-foot Voyage sailing catamaran, built in 2020: open-plan living, five ensuite queen cabins, air conditioning all night, and a chef who lives aboard.

Up to 10 guests have room to gather and space to retreat. A professional crew of three handles the sailing, the cooking, and the details, so every day is easy and every anchorage feels like home.

Salon

Bright and open, with panoramic windows.

Flybridge

Made for sunset cocktails and wide Caribbean views.

Five queen cabins, and no short straw
