

Sailboat fun.
Amenities you expect.
Luxury you want.

Celestine is a 59-foot Voyage sailing catamaran, built in 2020, with five ensuite queen cabins, air conditioning all night, and a chef who lives aboard.

Up to 10 guests have room to gather and space to retreat. A captain and a chef take care of the sailing and the food.

"A fantastic week on Celestine! Captain Jamie is an experienced skipper who loves to sail (as in sailing with the sails up!)"
